February 8, 2023

BOCA RATON, Fla.--(BUSINESS WIRE)--Feb. 8, 2023-- DigitalBridge Group, Inc. (NYSE: DBRG) (or the "Company") today announced it has appointed Alice Franks as Head of Europe Capital Formation and Brian Lee as Co-Head of Asia Capital Formation at DigitalBridge Investment Management. These additions further strengthen the worldwide DigitalBridge capital formation team and its commitment to deliver greater levels of service and partnership to clients globally.

Ms. Franks and Mr. Lee join DigitalBridge from AMP Capital where they were responsible for leading capital formation and investor relations across Europe and Asia respectively, focusing on executing infrastructure equity and credit strategies. Their appointments follow DigitalBridge's recent acquisition of AMP Capital's global infrastructure equity investment management business, which has rebranded to InfraBridge.

Ms. Franks, based in London, brings 20 years of experience in capital raising and investment management, including the last six years at AMP Capital, where she raised a series of fund vintages for the private infrastructure equity and credit platforms to European investors. Previously in her career she spent eight years at First Sentier Investors supporting the European infrastructure team, served at Igneo Infrastructure Partners, focusing on fundraising and investor relations, and held investment management roles at Wachovia (now Wells Fargo) and Ruffer Investment Company.

Mr. Lee, based in Hong Kong, brings more than 15 years of capital raising and investor relations experience, in addition to established relationships with institutional clients across Asia, developed over his eight years at AMP Capital as well as in prior roles at Wellington Global Investment Management, UBS Global Asset Management in Hong Kong and UBS Hana Asset Management in Korea. Mr. Lee will work alongside Tae Ahn as Co-Heads of Asia Capital Formation and Investor Relations. Mr. Ahn joined DigitalBridge in 2022 from Partners Group and is based in Singapore.

"We are pleased to welcome Alice, Brian and their respective teams to DigitalBridge as we continue to build out our team in key regions globally," said Kevin Smithen, Chief Commercial and Strategy Officer, DigitalBridge. "Both bring significant investor relations and fundraising prowess in their respective markets and complement DigitalBridge's growing capital formation team as we maintain our focus on consistently delivering for our clients around the world."

Mr. Smithen and Leslie Wolff Golden, Managing Director and Global Head of Capital Formation and Investor Relations, lead a global capital formation team with a presence across North America, Europe, the Middle East and Asia. DigitalBridge also intends to open a new office in the Middle East to better serve clients, reflecting the importance of this fast-growing region to DigitalBridge.

Mr. Lee and Ms. Franks appointments are effective immediately.
